COMMUNITY OPPORTUNITY

What, if any, aspect of your current community do you find to be positive?

We were also interested in learning more about neighborhood-level characteristics that clients found to be both positive and negative. 32% of respondents indicated that their current neighborhood was too expensive and 25% indicated that public transportation was inadequate to meet their needs.

EDUCATION OPPORTUNITY

Overall, how satisfied are you with your children's schools?

70% of respondents indicated that they were satisfied or very satisfied with the school(s) their child(ren) were attending after they moved.

■ Very Satisfied ■ Satisfied ■ Somewhat Satisfied ■ Unsatisfied

EDUCATION OPPORTUNITY

How well are your children learning in their current schools?

65% of respondents indicated that their child(ren) were learning better or much better than previously; 19% indicated that their child(ren) were learning much better; and 46% were learning better than previously.

■ Much Better ■ Better ■ Same ■ Worse ■ N/A

EDUCATION OPPORTUNITY

How satisfied are you with your children's schools?

Parents of 5- to 10-year-olds expressed the highest levels of school satisfaction with 65% indicating that they were very satisfied with their schools. 32% of parents of 11- to 13-year-olds were very satisfied.

EMPLOYMENT OPPORTUNITY

Employed

50% of respondents indicated they were employed. 45% are employed full time and 32% are employed part time.

■ Full Time ■ Part Time ■ Temporary ■ No Answer

EMPLOYMENT OPPORTUNITY

Current Barriers to Employment

Barriers to finding employment for the relatively small percentage of mobility clients who are currently unemployed are varied with no single predominant issue. Many of these barriers were also found to be negative aspects of their new neighborhood.

- Childcare
- Lack of Education
- Health Issue (Self)
- Transportation
- Transportation Costs

EMPLOYMENT OPPORTUNITY

Unemployed

50% of those that are unemployed indicated that they are unable to work due to a disability and 40% are searching for work. Just two respondents indicated that they were not currently searching for work. Reasons for not currently searching for employment included a recent accident and the cost of child care.

■ Interested and Searching for Work
■ Unable to Work Due to Disability

■ Interested but Not Searching
